INTRODUCTION

Honda and Acura Dealers are Finding Huge Success With RevolutionParts!

Online Parts & Accessories Sales Growth for Honda and Acura Dealers in Q1 of 2024

The automotive parts and accessories industry has experienced continued growth over the years as consumers have consistently turned to the internet to find and purchase parts and accessories.

This report delves into the trends and data surrounding Honda and Acura dealerships throughout the US that are selling parts and accessories online through the RevolutionParts platform.

Over the years, Honda and Acura dealers have enhanced their sales strategies and significantly increased their sales volumes.

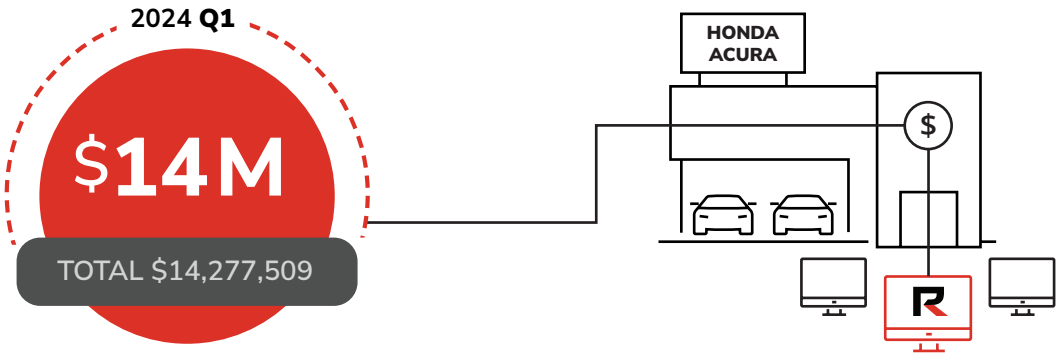

Amid an expanding industry, three takeaways stand to draw dealers toward online selling:

1. The online auto parts market is growing quickly, with an annual growth rate between 13.8% and 16.02%.
2. The online parts market is projected to grow to $35 billion by 2030.
3. Not selling online is no longer an option for dealerships. Dealers and manufacturers must have a digital presence to keep their parts business competitive.

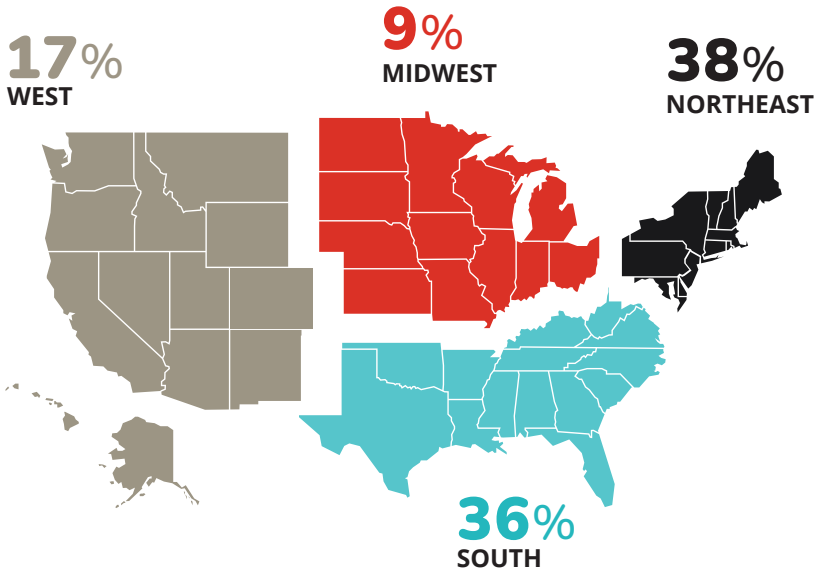

This report outlines key Honda and Acura part and accessory trends and opportunities to help capture more of the aftersales market.
